

ANALYSIS OF STUDENT FEEDBACK ON CURRICULUM (Curriculum Feedback Analysis 2022-23)

Programme : M.Pharm. (Pharmaceutical Chemistry)

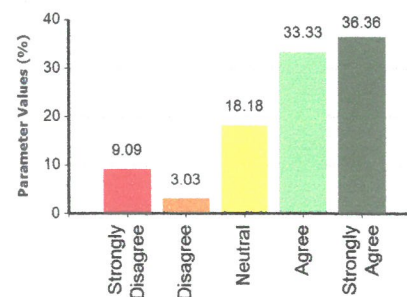

The sequence of the content is well organized.

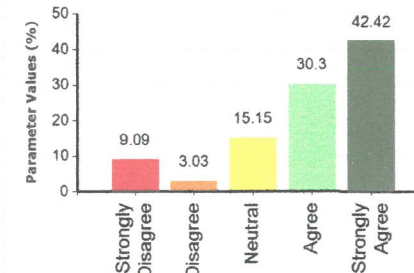

Uniformity of syllabus in terms of curriculum load.

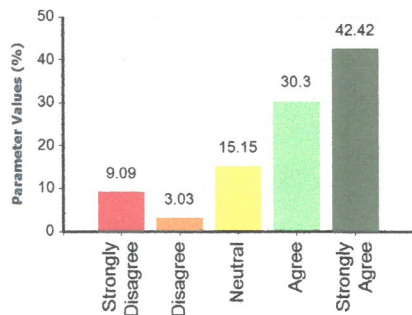

Course curriculum is career oriented.

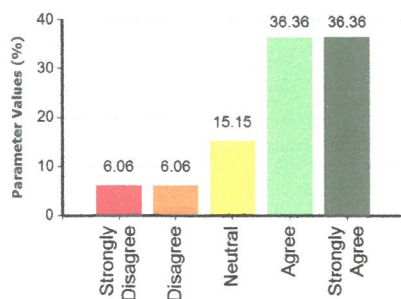

Learning values are inclined for development of skills, concepts, knowledge and analytical abilities.

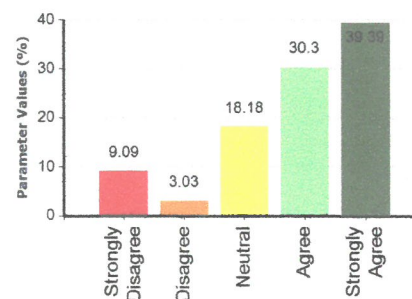

The curriculum justifies the assigned lectures.

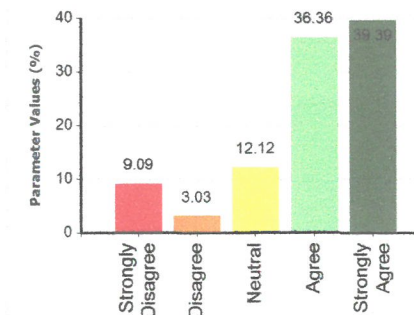

The course curriculum covers the latest developments in relevant areas.

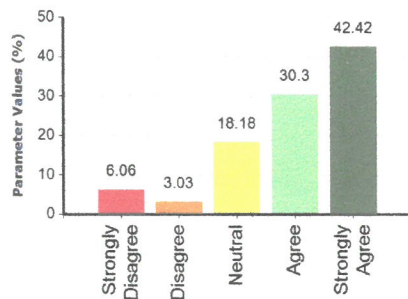

Course curriculum contains scope of relevant activities.

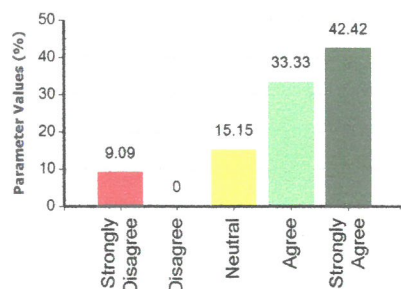

The course content is updated rationally.

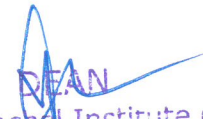

The course curriculum has good balance between theory and practical applications.

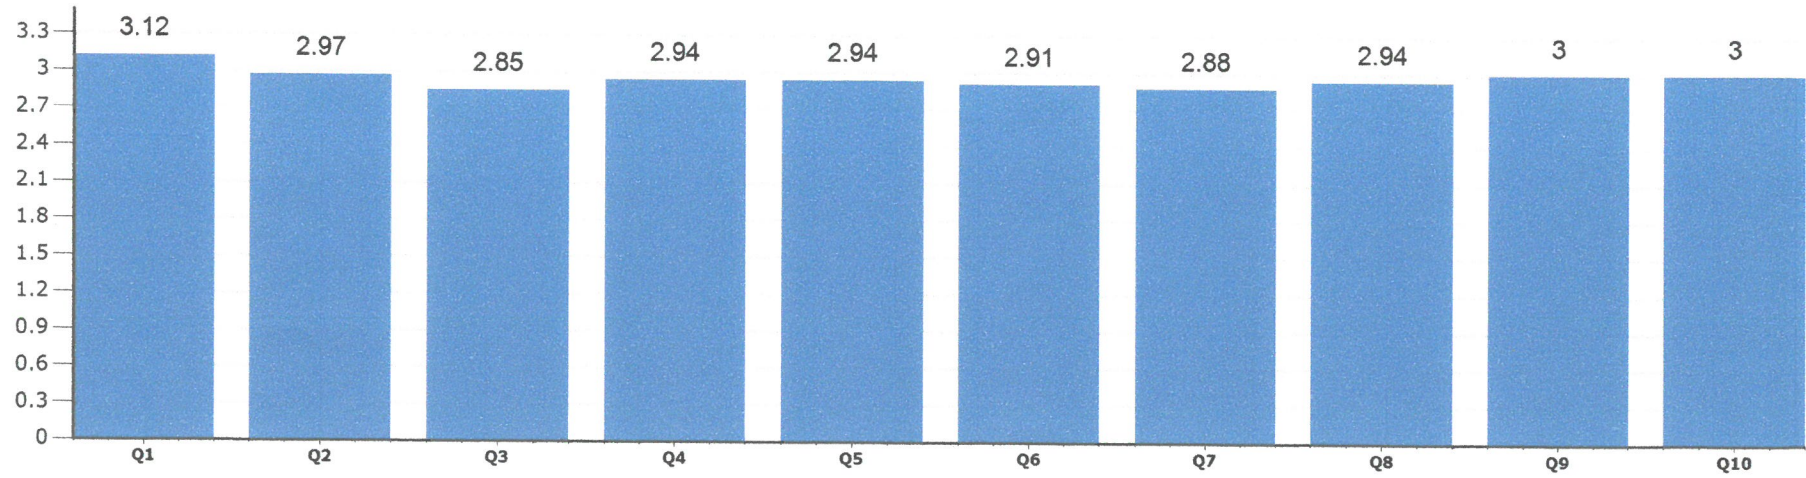

The Course content encourages self and extra curriculum learning.

ANALYSIS OF FACULTY FEEDBACK ON CURRICULUM (Curriculum Feedback Analysis 2022-23)

Programme : M.Pharm. (Pharmaceutical Chemistry)

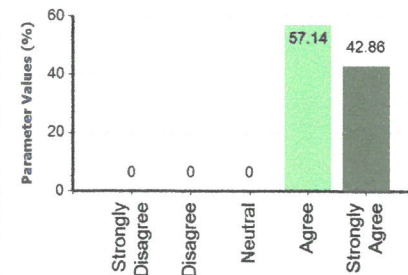

The course content is in conformity with the course objectives and outcomes.

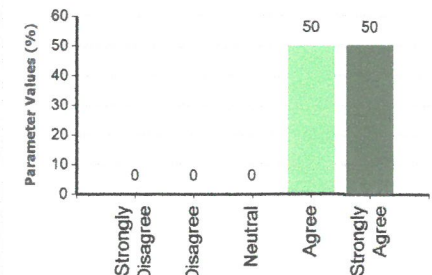

The course curriculum is well balanced between theory and/or practical/field work knowledge.

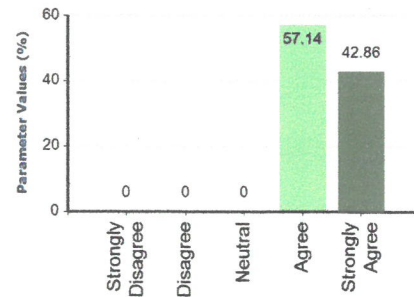

The course content has been presented from basic to advance.

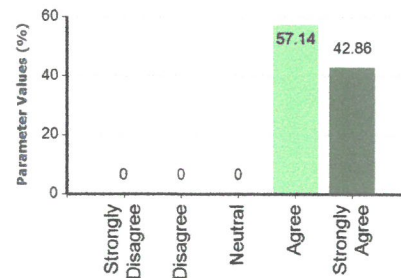

The current course content is sufficient to fulfil the gap between industry and academics.

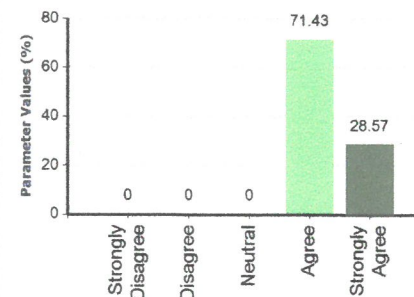

Credit allocation is rational to the coverage of the course curriculum.

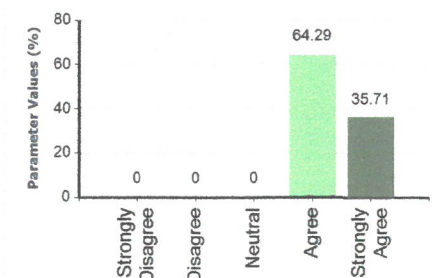

The curriculum has focus on skill development/employability/entrepreneurship

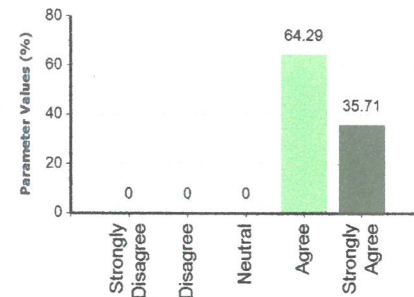

The course content has increased knowledge and interest in the subject area.

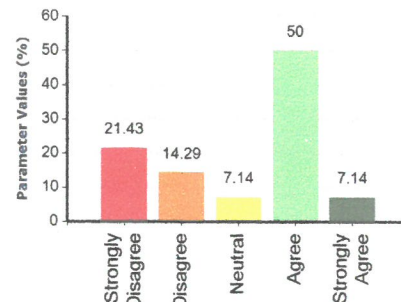

The text books and reference books mentioned in the syllabus are relevant and updated.

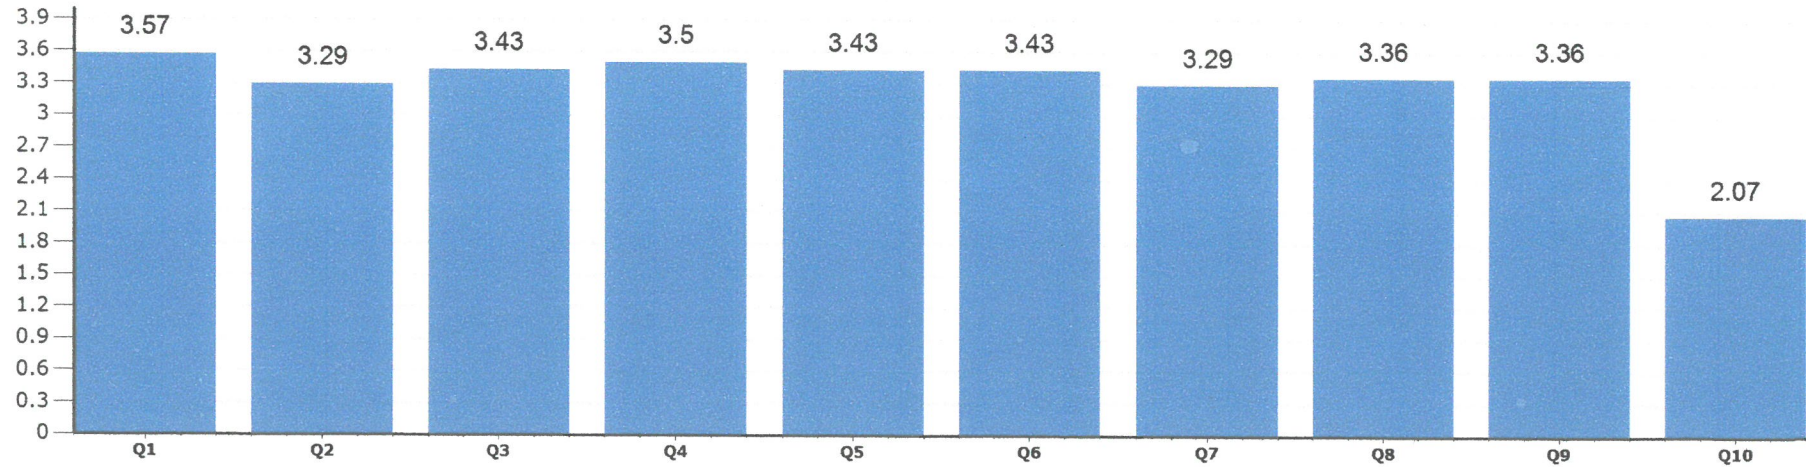

The course curriculum improves students comprehension of the domain.

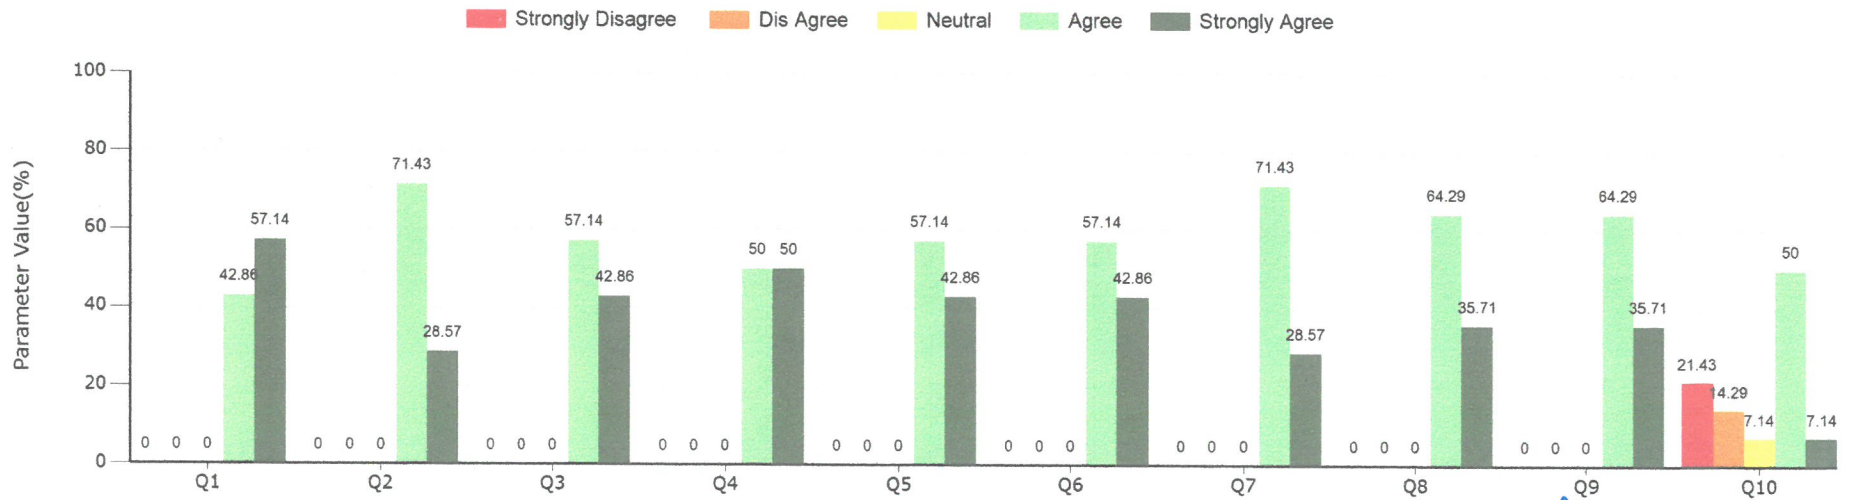

The course curriculum needs moderation.

Feedback Analysis Report
Academic Year: 2022-2023

Date: 23/05/2023

The Department has collected feedback from the stakeholders (Faculty, Students and Alumni) on the curriculum in pursuit of continuous improvements to comply with industry, social and environmental requirements. The details of the feedback received are as follows.

The Department proposed the following recommendations on the basis of feedback and suggestions received (Annexure-1):

S. No.	Recommendations
1.	Revise the Course Outcomes (CO's) of Bachelor of Pharmacy (B. Pharm. & M. Pharm.) on the basis of the feedback of the faculty.
2.	Increase the number of Industrial visit, Hospital visit.
3.	Update the reference and text book as per available in library.
4.	Implement NEP-2020 introduced by MHRD, government of India as recommended by Pharmacy Council of India (PCI) time to time.
5.	Identify and incorporate the Massive Open Online Course (MOOC) organized by Swayam/ NPTEL and consider into curriculum.

Submitted to Dean for necessary action.

Department propose the following suggestion as per feedback from students, faculty and Alumni. Few point refuse by the BOS members. **Annexure-I**

1. To revise the Course Outcomes (CO's) of Bachelor of Pharmacy (B. Pharm. & M. Pharm.) on the basis of the feedback of the faculty.
2. To increase the number of Industrial visit, Hospital visit.
3. To incorporate the revise the content of in curriculum.
4. B. Pharm. & M. Pharm. final year student must submit a research/ review paper related to his/her project.
5. To incorporate the one month industrial training for B. Pharm. 3rd Year.
6. To add new experiment in practical courses.
7. To update the reference and text book as per available in library.
8. To Implement NEP-2020 introduced by MHRD, government of India as recommended by Pharmacy Council of India (PCI) time to time.
9. Identify and incorporate the Massive Open Online Course (MOOC) organized by Swayam/ NPTEL and consider into curriculum.
10. To implement the Suggestions given by the Board of Studies members.

Action Taken Report Academic Year: 2022-2023

Date: 12/06/2023

A meeting was held at the end of session 2022-2023 to analyze feedback taken from students, Faculties and Alumni regarding course curriculum of B. Pharm. & M. Pharm.(Pharmaceutics, Pharmaceutical Chemistry). The meeting was attended by Academic Expert and Industrial Expert, Prof. Vikash Jakhmola Chairperson of the Board of Studies in order to discuss action to be taken on the basis of feedback received.

On the basis of discussion of feedback of Odd/Even semester curriculum, the following points were discussed on the basis of the feedback received and the following actions were taken to resolve the recommendation of the stakeholders:

S. No.	Recommendations	Action Taken
1.	Revise the Course Outcomes (CO's) of Bachelor of Pharmacy (B. Pharm. & M. Pharm.) on the basis of the feedback of the faculty.	Collecting feedback from Students, Faculties and Alumni recommended the change in course outcome.
2.	Increase the number of Industrial visit, Hospital visit.	Provide students the chance to experience a real-world working environment and an excellent opportunity to fully understand emerging technology in industrial operations.
3.	Update the reference and text book as per available in library.	Every semester, the library receives new volumes; therefore, the books in syllabus must be updated.
4.	Implement NEP-2020 introduced by MHRD, government of India.	Recommended by Pharmacy Council of India (PCI) time to time.
5.	Identify and incorporate the Massive Open Online Course (MOOC) organized by Swayam/ NPTEL and consider into curriculum.	Students give their value feedback regarding the Massive Open Online Course (MOOC) identify the course for upcoming session and registered for the same.
